WINE TASTINGS AT SCHLOSS VOLLRADS 2024

“WINE IS
THE POETRY
OF THE EARTH.”

The unique terroir of Schloss Vollrads, combined with our many years of experience in winegrowing, results in the unmistakable taste of our Riesling wines.

All great wines are created in the vineyard.

OUR WINE TASTINGS

Schloss Vollrads is one of the oldest wine estates in the world, perhaps the oldest. Historians assume that the moated tower built about 1330 – the estate’s landmark, visible from afar – was constructed on the foundations of a Roman tower fortress from the first or second century.

In various attractive rooms Schloss Vollrads offers you a range of unique and entertaining wine tastings. In at least three wines you will experience the magnificent diversity of our Riesling wines. Dry, semi-sweet and sweet wines – you experience all our different wines.

Therefore these wines stand for the best qualities Rheingau can offer. In this tasting Schloss Vollrads invites you to enjoy four vintages of the „Grosses Gewächs“ (Grand Cru) complemented by a glass of sparkling wine as well as a taste of our Trester, a distillate made out of the marc from the Grosse Gewächs.	6 Wines	39.00 €
